WELCOME

Welcome to Canyon Ranch, Tucson!

As Managing Director, it's my pleasure to welcome you to our inspiring oasis of wellness and renewal. Canyon Ranch is an ever-evolving destination, dedicated to supporting your health and well-being. Think of it as your sanctuary—a place for transformation, discovery, and joy.

We've recently completed several exciting upgrades to enhance your experience. Be sure to explore our reimagined dining venue, Vaquero, along with the refreshed spa lobby and treatment rooms. We've also made updates to the ladies' locker room, introduced The Snug, a cozy new game room off the clubhouse lobby, and enhanced the Sanctuary, to name a few highlights.

I encourage you to explore Longevity 8, our newest program offering a comprehensive 4-day immersion in health and wellness. Centered around eight principles of longevity, this once monthly program includes in-depth testing of over 200 biomarkers and personalized consultations with our team of experts.

During your stay, you'll find an array of cherished activities, classes, and services, as well as innovative spa and health experiences. Take a moment to immerse yourself in the beauty of our desert surroundings. Whether it's hiking, biking, or other guided outdoor adventures with our Outdoor Sports team, these activities are designed to inspire and rejuvenate.

Our goal is to exceed your expectations, and our team of compassionate, dedicated professionals is here to ensure every moment is exceptional. Please don't hesitate to let us know how we can personalize your visit and elevate your experience.

Whether this is your first visit, or a return journey, we are delighted to have you with us. Canyon Ranch truly comes to life when you're here, embracing healthy, joyful living.

You're in the perfect place to refresh your spirit, set new goals, and leave stress behind. Welcome!

David Craig

DECISIONS, DECISIONS ...

So, what will you do while you're here? With so many great choices, we recommend you start by talking with one of our WELLNESS GUIDES. They're the ultimate Ranch insiders who know about every service, activity, and can't-miss event. You'll learn about exciting opportunities that fit your schedule and support your goal. And please, keep an open mind to trying new things. After all, the most exciting thing you do may be the one you haven't tried.

Stop by Program Advising in the Spa or call Ext. 44338.
