### Welcome to Canyon Ranch, Tucson!

As Managing Director, it's my pleasure to welcome you to our inspiring oasis of wellness and renewal.

Canyon Ranch is an ever-evolving destination, dedicated to supporting your health and well-being. Think of it as your sanctuary—a place for transformation, discovery, and joy.

We've recently completed several exciting upgrades to enhance your experience. Be sure to explore our reimagined dining venue, Vaquero, along with the refreshed spa lobby and treatment rooms. We've also made updates to the ladies' locker room, introduced The Snug, a cozy new game room off the clubhouse lobby, and enhanced the Sanctuary, to name a few highlights.

I encourage you to explore **Longevity 8**, our newest program offering a comprehensive 4-day immersion in health and wellness. Centered around eight principles of longevity, this once monthly program includes in-depth testing of over 200 biomarkers and personalized consultations with our team of experts.

During your stay, you'll find an array of cherished activities, classes, and services, as well as innovative spa and health experiences. Take a moment to immerse yourself in the beauty of our desert surroundings. Whether it's hiking, biking, or other guided outdoor adventures with our Outdoor Sports team, these activities are designed to inspire and rejuvenate.

Our goal is to exceed your expectations, and our team of compassionate, dedicated professionals is here to ensure every moment is exceptional. Please don't hesitate to let us know how we can personalize your visit and elevate your experience.

# HIGHLY RECOMMENDED SERVICES AND ACTIVITIES

## BLOOD LACTATE THRESHOLD

**Performance Science | Two-part service | 100 min.**

Maximize your workouts with a blood lactate threshold test that measures lactic acid levels to determine if you're training within your ideal cardio intensity. During a 20- to 30-minute incremental exercise test, you'll wear a heart rate monitor while fingertip blood samples are taken every 2 to 4 minutes to track your body's response. Then, in a follow-up session, you'll review results with a performance scientist and receive a personalized training plan designed to improve aerobic stamina, anaerobic threshold, fat burning, and overall fitness.

## INTRODUCTION TO AYURVEDA

**Fitness Service | 50 min.**

In this introductory session, an Ayurvedic practitioner offers a Dosha assessment identifying your natural constitution (Prakruti) and current imbalances (Vikruti) using pulse reading, intake questions, tongue evaluation, and a physical exam. You'll receive personalized recommendations to restore balance in your body, mind, and spirit, along with suggestions for treatments available during your stay.

## KARTCHNER CAVERNS LIVING CAVE TOUR

**Outdoor Sports Activity | See pg. 26 for dates and times | 5 hr.**

Discover the awe-inspiring Kartchner Caverns, the largest and most pristine living cave in the U.S.! Enjoy a 2-hour, easy-paced tour through one of the world's top mineralogical wonders. All levels welcome!

## NIGHT SKY WALK

**Outdoor Sports Activity | See pg. 26 for dates and times | 2 hr.**

Stroll down a paved path into a serene, riparian canyon. Let the glow of the moon embrace you, or step into the starlit darkness.

## THE COMPLETE FIX FACIAL

**Skin Care Service | 50 min.**

This facial promises noteworthy results. Expect more youthful, fuller, even-toned skin, radiant with natural hydration. This Skin Authority treatment – powered by patented SGF-4 Technology™ – provides immediate improvements for any visible wrinkles and skin texture. This has been clinically shown to boost the skin's regeneration process, promoting collagen production, healthy circulation, and accelerated cell renewal resulting in beautiful skin.

## DESERT RITUAL

**Spa Service | 100 min.**

Rejuvenate your skin and serenade your senses with native resources from the Sonoran Desert. Cleanse, exfoliate, and hydrate with white sage, prickly pear, and honey. Soak in a bath infused with saguaro blossoms, aloe, and jojoba. A perfect blend of indulgence and therapeutic benefit, this treatment concludes with a full-body massage to leave you refreshed and softened.

## INTRO TO BRAINSPOTTING

**Mental Health & Wellness | 50 min.**

Brainspotting, a treatment method developed by Dr. David Grand, identifies points in the visual field to access unprocessed trauma — based on the idea that “where you look actually affects how you feel.” By using techniques that bypass conscious thought, Brainspotting can lead to faster and deeper healing, strengthen our natural resources and resilience, and enhance creativity and performance. When traditional talk therapy feels at a standstill, Brainspotting offers a new way to unlock insights and make meaningful progress.
