We're delighted to have you in our inspiring corner of the world. Think of Canyon Ranch as your own healthy haven, the place for renewal, wellness, and happiness.

We recently launched our App, an accessible way to manage your experience with just a few taps. The App gives you the ability to view your Ranch Schedule, add or cancel services, sign up for things to do on property, and make dinner reservations at The Grill. You can scan the QR code on page 2 to download and use, or ask a Wellness Guide for more information.

While here with us in Lenox, check out our feature events and familiarize yourself with any upcoming Immersions—our transformative events designed around today's most powerful wellness topics for an exclusive group of guests.

We're thrilled to showcase the work of local artists and galleries throughout the property. We hope the works provide a variety of visual experiences which encourage you to embrace the artistry surrounding you. If a piece captures your interest, you'll find a corresponding information card with details on how to contact the gallery directly for any questions or purchase arrangements.

During your stay, you'll find countless favorite activities, services, and classes, plus new opportunities to experience. I encourage you to explore our scenic landscape, connect with nature and try something you've never done before. Right now, you're in the perfect place for refreshing your spirit, setting goals, and reducing stress. Please let us know if there's anything we can do to make your stay even better. This is a time to move ahead with optimism and renewed appreciation for each day.

DECISIONS, DECISIONS ...

So, what will you do while you're here? With so many great choices, we recommend you start by talking with one of our WELLNESS GUIDES. They're the ultimate Ranch insiders who know about every service, activity, and can't-miss event. Your Wellness Guide is a master at matching personal interests with unique opportunities, so please keep an open mind to trying new things. After all, the best thing you ever do may be the thing you haven't tried yet.
