HEALTH & PERFORMANCE INTEGRATED MOVEMENT

INTEGRATED MOVEMENT EVALUATION

50 minutes | \$225

Enjoy a personalized movement and injury evaluation designed to identify sources of pain, discomfort, or movement limitation. This session includes a detailed movement assessment, review of injury history, and clinical insight to identify underlying factors and help guide your next steps.

PERFORMANCE SUPPORT

50 minutes | \$225

Move and train with greater confidence, efficiency, and resilience. This session focuses on strength, balance, coordination, and performance, tailored to your specific goals. Feel stronger, more capable, and resilient in both your workouts and daily life.

HANDS-ON RECOVERY

25 minutes | \$115

This recovery-focused session utilizes hands-on techniques like soft tissue mobilization, dry needling, assisted stretching, and mobility-focused movement. Designed to reduce tension, improve circulation, and enhance recovery, it helps aid muscle tightness, training fatigue, and faster recovery.

INTEGRATED MOVEMENT TREATMENT

50 minutes | \$225

Address movement dysfunction, restore strength, and improve mobility. Treatment options include corrective exercise, neuromuscular re-education, and guided movement strategies tailored to your body and activity level. Support your recovery while continuing to move with confidence.

INTEGRATED RETURN TO MOVEMENT SUPPORT

50 minutes | \$225

Designed for anyone returning to exercise following injury, physical therapy, or time away from training. This session emphasizes safe progression, confidence-building movement, and injury risk reduction. Support is personalized to meet you where you are and guide you forward with intention.

BOOST TREADMILL

25 minutes / 50 minutes / 10 sessions (25 minutes each)
\$30 / \$50 / \$275

Whether you're returning from an injury or in the midst of training, utilizing the Boost Microgravity Treadmill enables you to deload up to 80% of your body weight and train with a reduced impact.

POSTURE ANALYSIS & PLAN

50 minutes | \$175

Evaluate common postural faults and identify imbalances or deviations from an ideal alignment that may cause pain, discomfort, or movement issues.

CORRECTIVE EXERCISE

4 sessions (25 minutes each) | \$350

These training sessions focus on proper form for specific movement patterns.

We are pleased to offer preferred pricing for our members.

PERSONALIZED EXERCISE PROGRAM

50 minutes | \$175

Kick-start an exercise program to help you get in better shape, or get a fresh take on your current workout routine. Our performance scientists at the Club help you increase cardiovascular fitness/stamina, muscle mass, and strength, or improve endurance, core stability, balance, bone density, flexibility, and target heart rate determination. An expert will design a take-home program based on your goals, interests, physical abilities, and available facilities. For all ages and fitness levels. Includes exercise for specialized needs and bone health.

COMPREHENSIVE EXERCISE ASSESSMENT

Two-part service | \$350

Find out how your fitness level compares with others your age. You can retake these tests over time to see the impact of your exercise program.

Part I (50 minutes) – Physical Assessment:

- Bod Pod® body composition test to measure body fat and fat-free mass
- Submaximal treadmill test to estimate VO2 max and determine target heart rate
- Bench press and grip-strength test to assess your upper body strength
- Force plate or sit-to-stand test analysis of your lower body power and strength

Part II (50 minutes) – Personalized Program Plan:

- Your performance scientist gives you a full review of all test results and creates a personalized exercise prescription to meet your goals

VO2 MAX ASSESMENT

Two-part service | \$350

Determine your aerobic fitness level using a submaximal exercise protocol and learn how many calories you expend while working out. This is recommended if you want to change your body composition, learn the most effective way to burn body fat, determine your anabolic threshold, increase stamina and fitness, and improve sports performance.

Part I (50 minutes) – A performance scientist administers a submaximal exercise test. Testing is done while you exercise indoors on cardiovascular equipment such as a treadmill or stationary bike.

Part II (50 minutes) – Your performance scientist will explain your results and design an exercise program to maximize your workouts and enhance your training program.

We are pleased to offer preferred pricing for our members.

HEALTH & PERFORMANCE PERFORMANCE SCIENCE

BODY COMPOSITION SCREENING

25 minutes | \$95

The Bod Pod® is used in scientific research to accurately measure body fat percentage and fat-free mass, which are key indicators of your metabolism, health, vitality, and performance. Learn if you have the right fat-free mass for your goals after two 40-second measurements. A performance scientist will interpret your results and calculate your ideal body weight for your health. For accurate results: Avoid heavy meals or vigorous exercise 60 minutes prior to testing. We recommend women wear minimal clothing such as a bathing suit or a sports bra with tight-fitting shorts/leggings and men wear tight-fitting underwear.

PERFORMANCE SCIENCE ASSESSMENT & PLAN

Two-part service | \$350

Part I (50 minutes) – Take your athletic performance to the next level. Undergo state-of-the-art fitness testing conducted by a performance scientist with years of experience assisting top athletes. Possible tests include V02 max testing, various muscle strength tests, endurance testing, and power assessments. You and your performance scientist will determine the most useful tests for you.

Part II (50 minutes) – Your performance scientist will interpret your test results, comparing your scores to data averages and then setting goals for improvement. Take home a customized and detailed workout plan to ensure you reach your performance goals.

HEALTH & PERFORMANCE ACUPUNCTURE

ACUPUNCTURE

50 minutes | Mon–Thurs \$175

Experience enhanced healing and a more balanced state of being. This traditional modality, endorsed by the National Institutes of Health, is useful in addressing concerns as varied as arthritis, asthma, depression, fatigue, headaches, longevity, illness prevention, musculoskeletal pain, sleep, smoking cessation, and stress relief. A session with a licensed acupuncturist helps balance your body's energy (chi), stimulates natural healing processes, and aids in relaxation.

ACUPUNCTURE FOR HEALTHY WEIGHT

100 minutes | Mon–Thurs \$350

This session features specialized acupuncture that's used extensively in China for decreasing food cravings while increasing energy and digestive efficiency. The technique employs abdominal needles with mild electrical stimulation and includes an extensive health consultation. This full body-mind-balancing treatment can jumpstart your ability to move toward a healthier weight. Follow-up sessions are recommended to achieve maximum benefits.

ACUPUNCTURE FOR ALLERGIES

50 minutes | Mon–Thurs \$175

Experience a natural approach to relieve common allergy symptoms. We recommend a series of treatments for optimal results.

CHINESE HERBAL CONSULTATION

50 minutes | Mon–Thurs \$175

The world's oldest form of herbal medicine uses potent healing formulas to treat arthritis, fatigue, high cholesterol, insomnia, symptoms of menopause, PMS, migraines, asthma, stress, and more. After a traditional evaluation that includes pulse and tongue diagnoses, a Chinese medicine practitioner offers herbal, dietary, and lifestyle recommendations that address your needs. Receive a detailed report on recommended herbs after the service.

CHINESE VITALITY CONSULTATION

100 minutes | Mon–Thurs \$350

Explore and address the patterns of tension that may be keeping you from optimal health. This medical session allows for a comprehensive evaluation, acupuncture treatment, Chinese herbal recommendation, and lifestyle consultation to help you achieve more vitality. Use this holistic wellness experience to address all aspects of your health, from musculoskeletal pain to internal health and emotional issues. Follow-up consultations are available by phone.

CUPPING & GUA SHA

25 / 50 minutes | Mon–Thurs \$85 / \$175

Dive into the benefits of Traditional Chinese Medicine with this personalized treatment that targets tension and stimulates circulation for a revitalizing experience. In this service, our practitioners expertly apply cups to the skin, creating suction to release muscle tension and encourage blood flow. We follow up with gua sha using smooth tools to gently scrape the skin to promote lymphatic drainage and improve qi flow. Leave feeling balanced, refreshed, and renewed.

DETOX ACUPUNCTURE

50 minutes | Mon–Thurs \$175

Enjoy a blend of two ancient healing methods that come together in the form of a soothing, cleansing, and incredibly relaxing treatment. A Traditional Chinese Medicine practitioner will combine a personalized acupuncture treatment with a warm abdominal castor oil pack for a uniquely healing and detoxifying experience.

PAIN PATTERN RELIEF

50 minutes | Mon–Thurs \$175

Over time, we develop functional movement patterns in order to do basic tasks. When we are stressed or injured, the motor control center in the brain creates compensatory patterns, which can override normal patterns, causing restriction of movement and pain. In this service, a Chinese Medicine practitioner will identify the patterns causing pain and reset your motor control center to restore movement and alleviate pain.

REIKI

25 minutes | Mon–Thurs \$80

Reiki promotes energy healing through methods rooted in Eastern spiritual tradition. Your therapist gently places his or her hands over your head, chest, abdomen, and back, producing a calming effect. You may experience decreased anxiety and fatigue, and improved circulation, concentration, and sleep quality. Please wear comfortable clothing.

EAR SEEDING

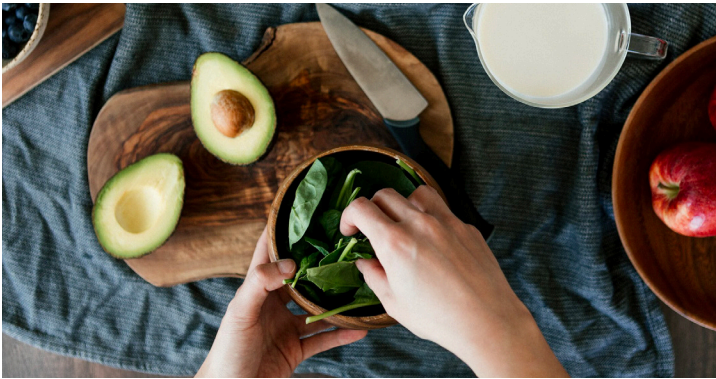

25 minutes | Mon–Thurs \$60

During this non-invasive, needle-free treatment, small seeds are applied to pressure points along the outer ear to stimulate the body's natural healing processes. This therapy can help relieve stress, ease pain, calm anxiety, and support better digestion.

We are pleased to offer preferred pricing for our members.

HEALTH & PERFORMANCE NUTRITION

These services are offered only via virtual sessions.

BUILDING MUSCLE 50 minutes | \$220

Nutrition plays a key role in building and maintaining muscles. That's why we eat to fuel and replenish: for a strong, healthy body. Receive a customized nutrition plan to achieve your health and performance goals by working with a Canyon Ranch nutritionist. Explore practical nutrition strategies to support your body before, during, and after workouts to build muscle and restore energy throughout the day.

DIGESTIVE WELLNESS 50 minutes | \$220

Your gut health – how well you digest, absorb, and metabolize nutrients and eliminate waste – is essential to your overall health and vitality. Meet with a registered dietitian/nutritionist to assess your diet and identify potential toxins or irritants. You'll receive personalized strategies to treat digestive conditions or problems, including recommendations about healing foods, supplements, and avenues toward achieving optimal gut health.

FUELING YOUR PERFORMANCE 50 minutes | \$220

In this personalized coaching session, a licensed nutritionist will work with you to determine the best food and fueling strategies to optimize your performance. You'll leave with a clear, practical, and individualized plan for success. This nutrition plan will support your unique needs and goals, while also being sustainable and easy to incorporate into your daily routine.

HEALTHY EATING 50 minutes | \$220

Receive expert advice on everyday nutrition and how best to nourish yourself and your family for optimal health and well-being. This entry-level consultation may be customized to suit your needs and interests, including: dining-on-the-go, eating for energy, eating well at college, feeding healthy kids, healthy aging, plant-based eating, practical portions, and eating for better sleep.

NUTRITION FOLLOW-UP PACKAGE Four sessions / 25 minutes | \$350

This follow-up diet and nutrition coaching package helps you stay committed to your goals. Includes any combination of four 25-minute phone/video calls or email exchanges with your nutritionist. For ongoing support at a great value, you can also schedule additional food coaching sessions for \$90 each.

HEALTH & PERFORMANCE SPIRITUAL WELLNESS

These services are offered only via virtual sessions.

We are pleased to offer preferred pricing for our members.

SPA

BODY TREATMENTS

VICHY TABLE

This award-winning specialty spa amenity takes your hydrotherapy treatments to the next level. Circular movements, scented oils, the warm, delicate touch of a Vichy shower, and the gentle rocking of the water mattress all create a unique, multi-sensory experience. Used as part of our CBD Wellness Ritual and Hungarian Mud Wrap Ritual.

CBD WELLNESS RITUAL

100 minutes | Mon–Thur \$360, Fri–Sun \$370

This multi-sensory journey, performed on our award-winning hydrotherapy Vichy Table, features an assortment of craft CBD experiences. Begin with a CBD-infused Dead Sea salt scrub, followed by a warm CBD detox mud wrap and heated oil scalp massage. The experience concludes with a full body massage using CBD massage oil and CBD pain relief cream for spot treatment, if needed. It's a calming and therapeutic spa experience for the whole body.

HUNGARIAN SCRUB

50 minutes | Mon–Thur \$195, Fri–Sun \$205

This purifying and detoxifying treatment starts with a vigorous and effective exfoliation of the whole body. Using sea salt, Hungarian moor mud, and capsicum peptide, the skin's texture is refined and left radiant and soft. The invigorating, firming body oil improves skin elasticity while balancing and soothing the body and senses.

HUNGARIAN MUD WRAP RITUAL

100 minutes | Mon–Thur \$360, Fri–Sun \$370

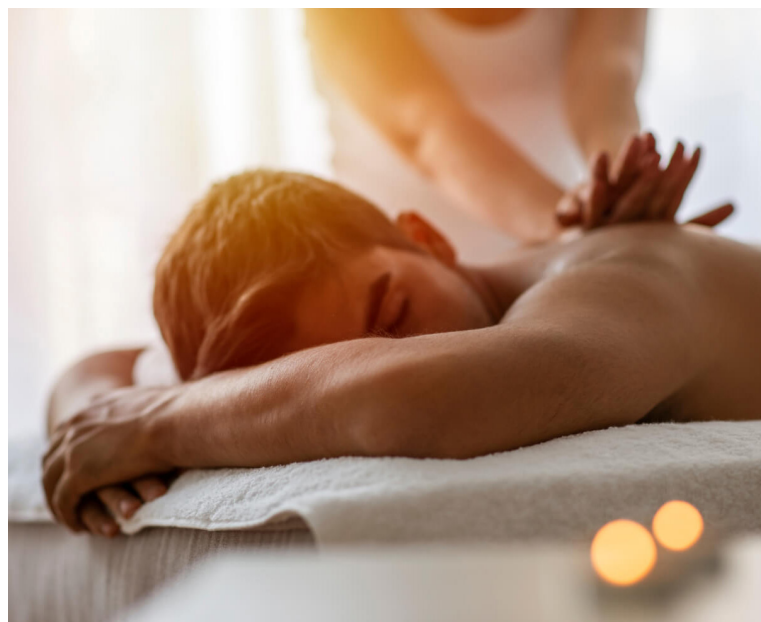

This body experience, performed on our award-winning hydrotherapy Vichy Table, begins capturing the essential nature of the mineral-rich Hungarian moor mud from Lake Hévíz, this treatment is designed to allow you to experience its curative, healing properties and transformative effects. This body experience begins with a gentle detoxifying exfoliation using sea salt, Hungarian moor mud, and capsicum peptide. A deep cleansing mud mask is then applied onto the body, leaving you with a feeling of lightness and balance. While the mud cleanses and the body is wrapped, the therapist performs a scalp treatment. A body massage using a rich blend of essential oils helps revitalize and detoxify while relieving muscular tension.

WELLNESS REFLECTION

80 minutes | Mon–Thur \$285, Fri–Sun \$295

Affirm your spirit and calm your mind with this head-to-toe wellness treatment. Choose an organic aromatherapy oil blend — be it lavender, ginger, neroli, juniper berry, or grapefruit black pepper — reflecting your body's needs to accompany this healing experience. Begin with an invigorating full-body exfoliation, followed by a relaxing massage that melts away tension and stress. Emerge renewed and replenished.

We are pleased to offer preferred pricing for our members.

SPA FACIALS

IONIXLIGHT ANTI-AGING FACIAL

80 minutes (includes IonixLight) | Mon–Thur \$415, Fri–Sun \$425

This personalized facial utilizes advanced technologies and products selected for your specific needs, blending full-spectrum LED light with negative ion therapy, oxygen therapy, microdermabrasion, microcurrent, and ultrasound for immediate and cumulative results. We'll target all your areas of concern, including signs of aging, without any discomfort or recovery time. This integrative facial treatment improves muscle tone, reduces puffiness, increases cellular activity, and stimulates your own collagen production.

HYDRAFACIAL MD®

50 / 80 minutes | Mon–Thur \$240 / \$355, Fri–Sun \$250 / \$365

This noninvasive, multistep treatment combines the benefits of a HydraFacial resurfacing procedure, a mild chemical peel, automated painless extractions (no pinching), and a special delivery of antioxidants, hyaluronic acid, and peptides. Enjoy real results without downtime or irritation. Contraindications include Botox or fillers within two weeks and pregnancy.

VENN COLLAGEN FACIAL

**50 / 80 minutes (includes IonixLight)
Mon–Thur \$210 / \$415, Fri–Sun \$220 / \$425**

This super-effective treatment features VENN® products supercharged with collagen-activating peptides, antioxidants, phyto-retinol, and microbiome-focused and pre-, pro-, and post-biotic actives to boost elasticity and firmness, reduce the appearance of fine lines and wrinkles, even skin tone, and plump.

OMOROVICZA GOLD HYDRALIFTING FACIAL

50 minutes | Mon–Thur \$210, Fri–Sun \$220

This luxurious experience is the ideal treatment for dry, damaged skin lacking in firmness and elasticity. Our Gold Hydralifting Mask harnesses the power of colloidal gold to provide an instant lift and hydration, followed by a potent anti-inflammatory mask with three forms of hyaluronic acid and bio-available gold to plump, nourish, and soothe the skin while repairing micro-damage. For the final step, your esthetician stimulates cell renewal and collagen production with an authentic Hungarian facial massage, instantly lifting and firming skin.

OMOROVICZA BLUE DIAMOND FACIAL

80 minutes | Mon–Thur \$325, Fri–Sun \$335

Harnessing the cell-energizing power of diamond peptides, this revitalizing facial helps brighten and firm your complexion. Following a double cleanse, a gentle, custom peel polishes and refines your skin's texture. We then apply a hydrating mask to nourish and restore the skin's protective barrier, while a hand-and-arm massage soothes your senses and accelerates microcirculation. Finish with a Hungarian facial massage to stimulate cell renewal and collagen production, instantly lifting and firming.

OXYGEN FACIAL

50 minutes | Mon–Thur \$215, Fri–Sun \$225

This clarifying treatment is designed for acne-prone, congested, and sensitive skin, helping to calm bacterial breakouts while restoring balance. Begin with a thorough double cleanse to remove excess oil, buildup, and impurities. Then follow with an oxygen infusion to revitalize with vitamins and minerals, reduce redness, and support your skin's overall vitality. Gentle and soothing, this facial helps minimize irritation and leaves your complexion looking and feeling refreshed.

DIAMOND LUMINOUS FACIAL

50 / 80 minutes | Mon–Thur \$215 / \$320, Fri–Sun \$225 / \$330

Designed for complexions that need advanced care, this treatment uses refined ingredients to support long-lasting hydration, improve elasticity, and boost luminosity. It also helps calm and soothe the skin, making it a strong option for guests seeking polished, radiant results.

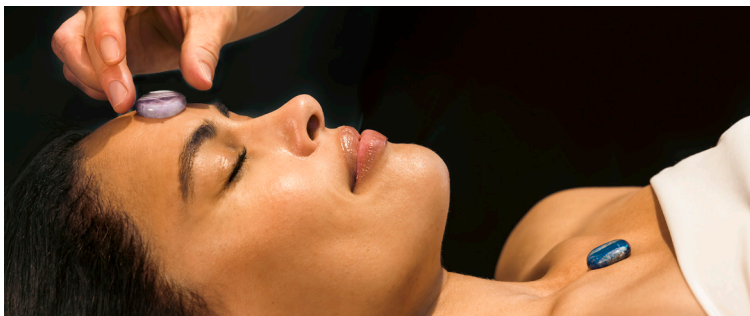

GENTLEMEN'S HOT TOWEL FACIAL

50 / 80 minutes | \$210 / \$320

Tailored to a man's skin, this facial provides relief from irritation caused by breakouts, ingrown hairs, and razor burn while replenishing vitamins and nutrients to help reduce the appearance of sun damage, lines, and discoloration. You'll look and feel relaxed and revitalized, ready for an active day.

SPA

AYURVEDIC SERVICES

ABHYANGA

50 minutes | Mon–Thur \$200, Fri–Sun \$210

Abhyanga, loosely translated, means attending to a part of the body in the present moment. A therapist performs this full-body, Ayurvedic-style massage using warm oil specific to your dosha. Energy, or subtle points of energy, are addressed to balance your body, mind, and spirit. This traditional therapy is used to release toxins, enhance immunity, nourish the skin, and create a sense of well-being.

CHAKRA BALANCING MASSAGE

80 minutes | Mon–Thur \$275, Fri–Sun \$285

Begin with an anointment of rose and lotus flower essence and the sound of chimes to clear energy and provide focus. Ayurvedic dosha balancing oils are applied to the body’s energy centers along the spine to open your chakras and facilitate the flow of energy. Then an Ayurvedic Kansa wand is used to activate and balance your chakras. Semi-precious stones are placed on your chakras to further balance the body and provide peace and clarity to the mind. End with a Kansa foot bowl treatment to ground you for the rest of your day.

HOW TO SPA

SCHEDULING AN APPOINTMENT

To schedule an appointment, please contact the spa reservations team at 682.786.4656 or 682.786.4659. Our expert staff can guide you to the perfect service for your needs. To ensure your preferred time and service is available, we recommend booking in advance. All spa services will need to be booked with a credit card.

ARRIVAL

For the ultimate spa experience, we recommend arriving one hour prior to your scheduled service time to relax and unwind in our spa facilities before your treatment. Spa access is only valid for guests enjoying services of 50 minutes or above.

CANCELLATION POLICY

A 100% charge will be incurred for any treatment not canceled at least 24 hours prior to your scheduled time. Late arrival will result in a shortened treatment time.

SPA ETIQUETTE

Our spa environment is one of relaxation and tranquility. Please respect all spa guests' right to privacy and serenity. In light of this, the spa is a mobile phone-, camera-, and smoke-free zone.

HEALTH CONDITIONS

Kindly advise us of any health conditions, allergies, or injuries which could affect your choice of treatment when making your spa reservation.

PREGNANCY

We have specially designed treatments for expectant mothers. Please allow our spa team to guide you in selecting treatments that are most suitable for this special time.

VALUABLES

The spa accepts no responsibility for the loss of valuables and jewelry at any time on the spa premises.

LOST PROPERTY

All lost property found on the premises will be stored for 30 days. If items are not collected within this time they will be donated to local charities. Liquids, undergarments, and hair brushes are kept for 24 hours only.

PRICES

All prices are quoted in \$USD and are subject to change at any time. A 23% service charge will be added to your bill. This service charge is not a gratuity and is not directly distributed to service staff. Canyon Ranch is a non-tipping facility.
